

## **Accommodation in and around Hahndorf including the park where the seminar is to be held**

In relation to Accommodation in and around Hahndorf for the 2025 Seminar, the following information has been sent to assist:

For those staying in the Park where the Seminar is held, the relevant direct website is:-

<https://www.discoveryholidayparks.com.au>

Once in this site follow the directions below to make life a little easier.

Find Parks and Resorts (Top)

Find Parks (Left) and Select South Australia

Find Hahndorf (scroll if necessary)

VIEW PARK (Orange BOX). This then excludes all other parks.

USE DATES BOX TO PUT IN YOUR SELECTED DATES in OCT 2025 (eg 5-10)

Once dates are in the Box, the RIGHT-HAND Panel shows the AVAILABLE Cabins or sites and prices for those dates in Hahndorf Resort. Select the House shaped icon for Cabins. For vans and sites select the Van shaped icon. There are different styles of Cabins available. Scroll down the Right-hand side to make sure you get a good oversight of what is available. Powered van sites and unpowered sites and tent camping sites will also be in that area.

As a comparison here are some other commercial suggestions which may offer specials in and around Hahndorf, and may offer vastly different options.

They may cover many kilometers in area (some even in Adelaide etc.)

Via web search:-

Search for hahndorf tourist park. This search will bring up many other options to explore including [guestreservations.com](http://guestreservations.com) [priceline.com](http://priceline.com)

[wotif.com](http://wotif.com) [booking.com](http://booking.com) [expedia.com.au](http://expedia.com.au) to name but a few and amongst them is the above first mentioned discovery holiday parks. Make sure you carefully read all the site link so you have an idea who is offering what. These sites may lead you to other areas which you may never otherwise consider, but make sure you know where they are located and the distance from the Seminar. Some sites may suggest ideas you may want to explore, including tourist ideas.

Discovery Holiday Parks Adelaide Hills Hahndorf have advised that there is no 3 day minimum covering the Seminar dates of 8th 9th and 10th Oct. However, they have said that when bookings are made you should mention the Joint Mineralogical Societies Seminar. They have mentioned a Conference rate of \$199 is available. This rate may not apply to cabins which are more expensive. My suggestion is that to make sure you are getting what you need and the cost of that, given the above-mentioned, it would be a

good idea to discuss directly with the Hahndorf people who are very helpful.  
Ph (08) 83887921.

Any questions you may have can be quickly resolved and this is probably the quickest way to ensure your booking is as you want it to be.

There will be no single night availability for the last day of the Seminar (Friday 10th).

The Best advice is to book asap. Other events in and around Hahndorf are now booking accommodation.

Kind Regards,

Secretary Minsoc SA
